

## Activity #5: Extending the Learning with Graphic Organizers

### Section 5: Putting It All Together

**Venn Diagram** – a chart comparing two things that have similarities and differences. Complete this after the read aloud using characters or concepts from the book or books.

**Semantic Web** – a chart listing concepts or ideas all related to a central theme; central theme goes in the middle of the web with other concepts branching off of it. Complete this after the read aloud.

**K-W-L Chart** – a chart showing what we “Know”, “Want to Know”, and “Learned” (“Know” and “Want to Know” should be filled out before the read aloud; “Learned” should be filled out after the read aloud.)

K	W	L

**Sequence Chart** – a chart showing the sequence of main events in a story. Complete this after the read aloud.
